Worksheet and Code Change Proposal Review:

Reviewed Minnesota Rules, parts 1309.0010 through 1309.0100

Minnesota Rules, part 1309.0010, subp. 1 – Update to incorporate by reference the 2024 edition of the International Residential Building Code (IRC). The TAG consensus is to accept the change.

Minnesota Rules, part 1309.0010, subp. 1a – Replace the reference to appendices K and Q with BG and BB for consistency with the 2024 IBC. The TAG consensus is to accept the changes.

Minnesota Rules, part 1309.0010, subp. 2 – Update to the 2024 edition of the IRC and the mandatory chapters and appendices for consistency with the new edition. The TAG consensus is to accept the change.

Minnesota Rules, part 1309.0010, subp. 3 – Update to the 2024 edition of the IRC and renumber lists and code sections for consistency with the new edition. The TAG consensus is to accept the change.

Minnesota Rules, part 1309.0020, subp. 1 – Update to the 2024 edition of the IRC. The TAG consensus is to accept the change.

Minnesota Rules, part 1309.0100, subp. 2 – Update the code section number referenced in the exception. The TAG consensus is to accept the change.

Minnesota Rules, part 1309.0100, subp. 3 – Revise to require building constructed for transient use and licensed by chapter 326B to be constructed in accordance with chapter 1305. The TAG consensus is to accept the change.

TAG Member Assignments:

Review:

Chapter 2: Definitions

Chapter 3: Building Planning
