Subject: State Appeals Board results of January 23, 2013 - #13-01

Dear Mr. Koss,

This is to confirm that the State Appeals Board has approved your appeal of the decision by the City of Bayport Building Official in the matter of an exterior deck connection to an engineered floor system with conditions of providing the Building Official with appropriate connection device(s) and number of for his approval to be installed to provide lateral force transfer between the blocking and the web of the engineered joist and then moving forward with the fix and getting a final inspection passed by the Building Official, John Buckley. The vote was unanimous in favor of your appeal with these stated conditions.

The following link provides information concerning the availability and procedure for appealing the Board's decision to the commissioner.
