

Minnesota Dual-Training Pipeline Speaker Series  
Work Like a Boss: Go from Apathy to Action at Work  
January 17, 2023

# What is Minnesota Dual-Training Pipeline?

- Source of support to employers to develop their own employment-based, dual-training programs
- An innovative approach to address current and future workforce needs in the key industries of **advanced manufacturing, agriculture, health care services and information technology**
- Private Investment, Public Education, Labor and Industry Experience

# Employment-Based Training

# Minnesota Dual-Training Pipeline Strategies

- **Industry Forums:** *Inform and direct* Minnesota Dual-Training Pipeline on industry trends and needs through discussion and strategic planning aimed to expand dual training.
- **Competency Councils:** *Define and identify* specific occupational competencies for the four key industries.
- **Dual-Training Consulting:** *Create and disseminate* dual training resources for employers, employees and dual trainees: toolbox, grants, and expanding mentorship networks to set up dual training.

# Making the Connection to Minnesota Dual-Training Pipeline

- Everyone has a role to play in improving work culture – Including trainers!
  - By leading dual training, trainers are empowering employees to take the steps to advance their career!
- Dual training is the opposite of apathy at work...it shows both the worker's and your organization's commitment to everyone's future success!
- Trying new training approaches can be messy and hard at first **AND ALSO** it can lead to improved culture, increased productivity and better morale.
  - Pipeline team is here to help you get started!
